

# Let's Talk Streets & Traffic

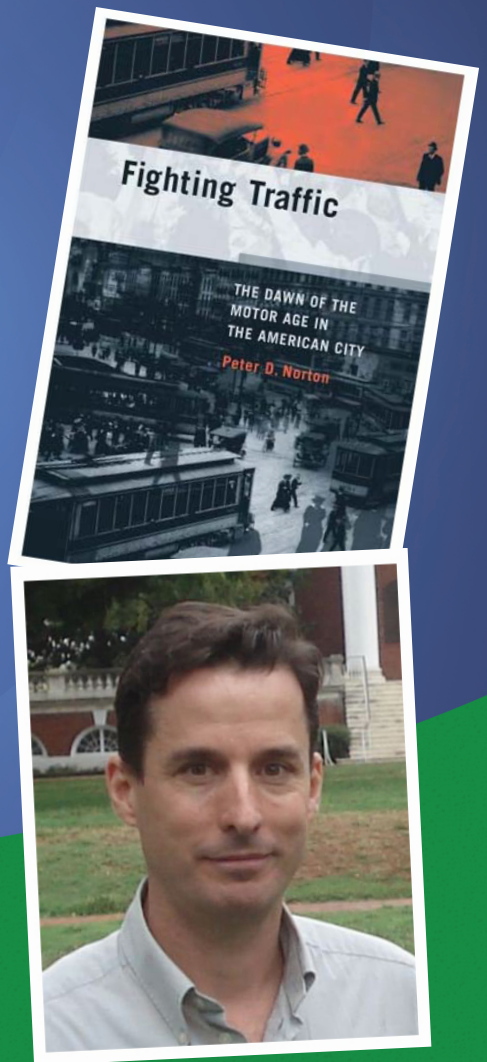

Our City Streets: Why are they conduits for cars, and what could they be?

*A Free Public Presentation  
with author and professor  
Dr. Peter D. Norton*

*"Alternative Histories, Alternative Futures"*

Peter Norton is associate professor of history at the University of Virginia. Norton's book, *Fighting Traffic*, describes the history of our streets and how they were reshaped from a social public space to a raceway for cars, impacting our perception of streets for generations thereafter.

He will discuss the history and future of traffic in our communities.

Tuesday, October 14 • 4:45 pm  
Location: The Commons  
300 Washington Street, Columbus, IN

Free Admission • Open to the Public
